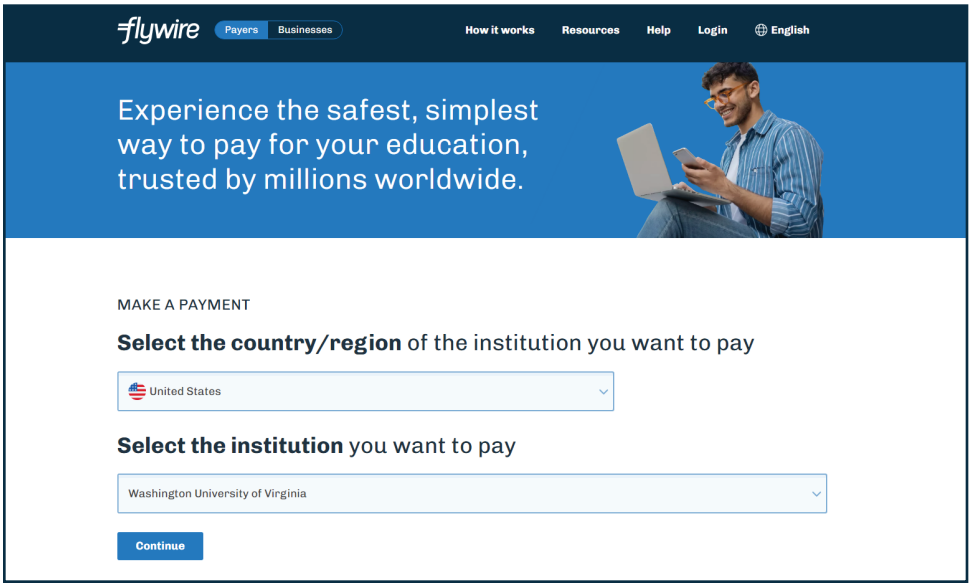
How to Pay Your Tuition via Flywire

Step-by-step Instructions

To make your tuition payment simple and secure, please follow the steps below to pay through Flywire. If you're an international student, Flywire allows you to pay in your local currency using familiar and convenient payment methods.

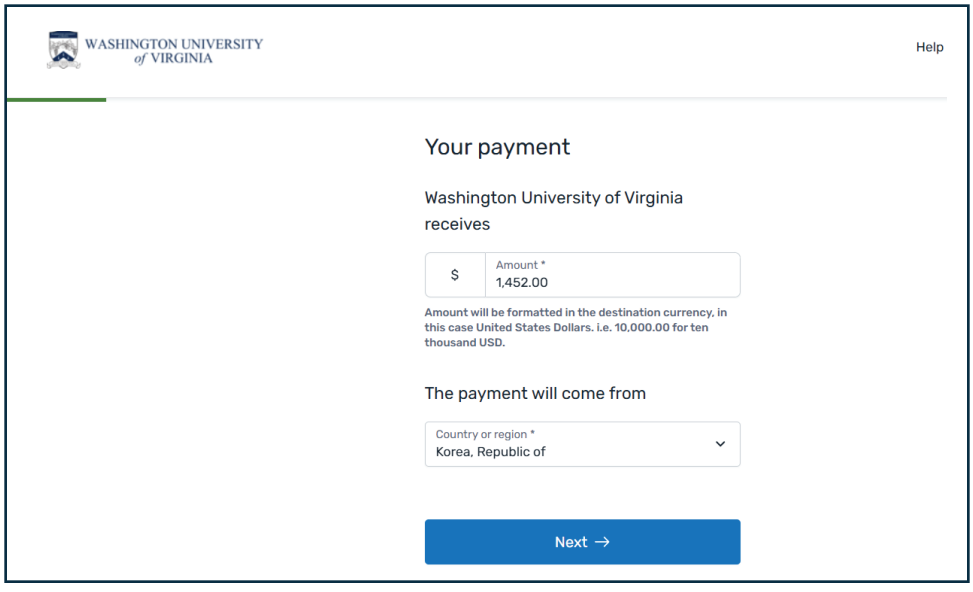
01 Step 1: Go to Flywire & Select Your Institution

Visit https://pay.flywire.com/
Insert Your Country / School Name "Washington University of Virginia"
If you access the payment page through the link provided on the school website, you can proceed directly to Step 2.



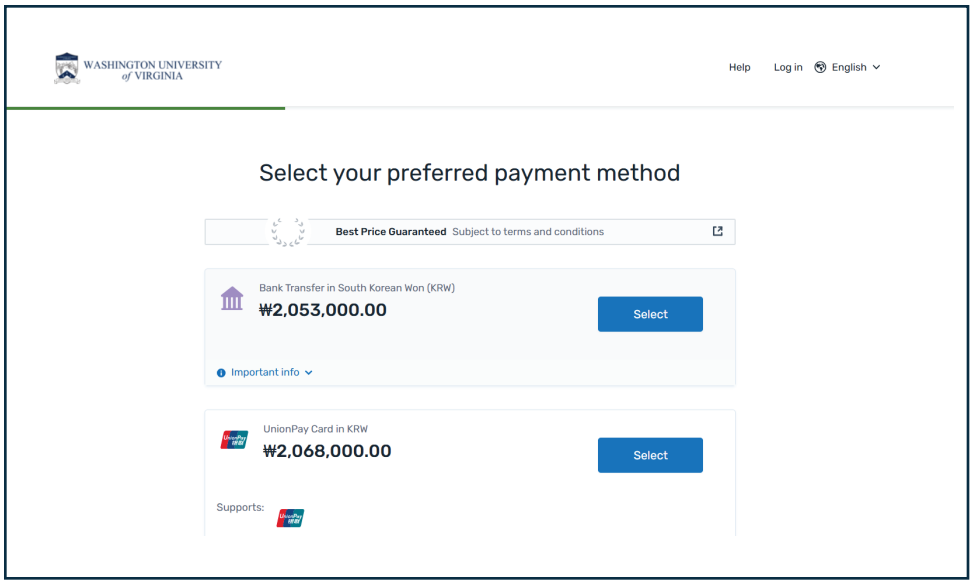
02 Step 2: Enter Payment Details

Enter your **tuition amount (showed on your invoice)** and select **your country**



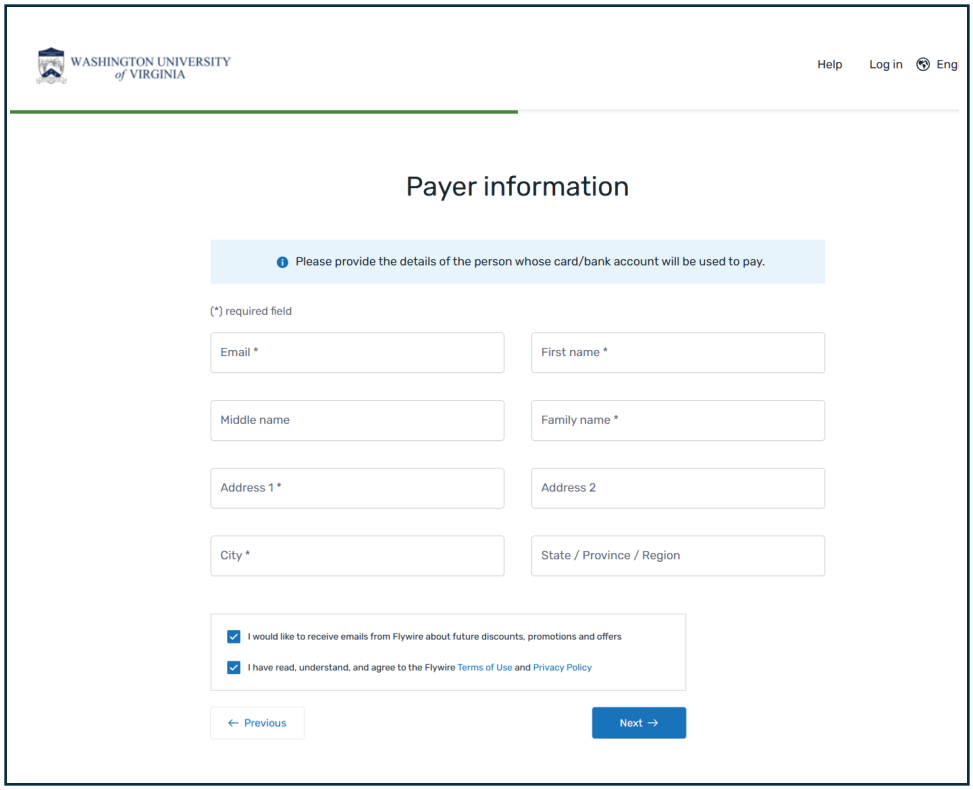
03 Step 3: Select your payment method

Select your **preferred payment method** (e.g., bank transfer, credit card etc.)



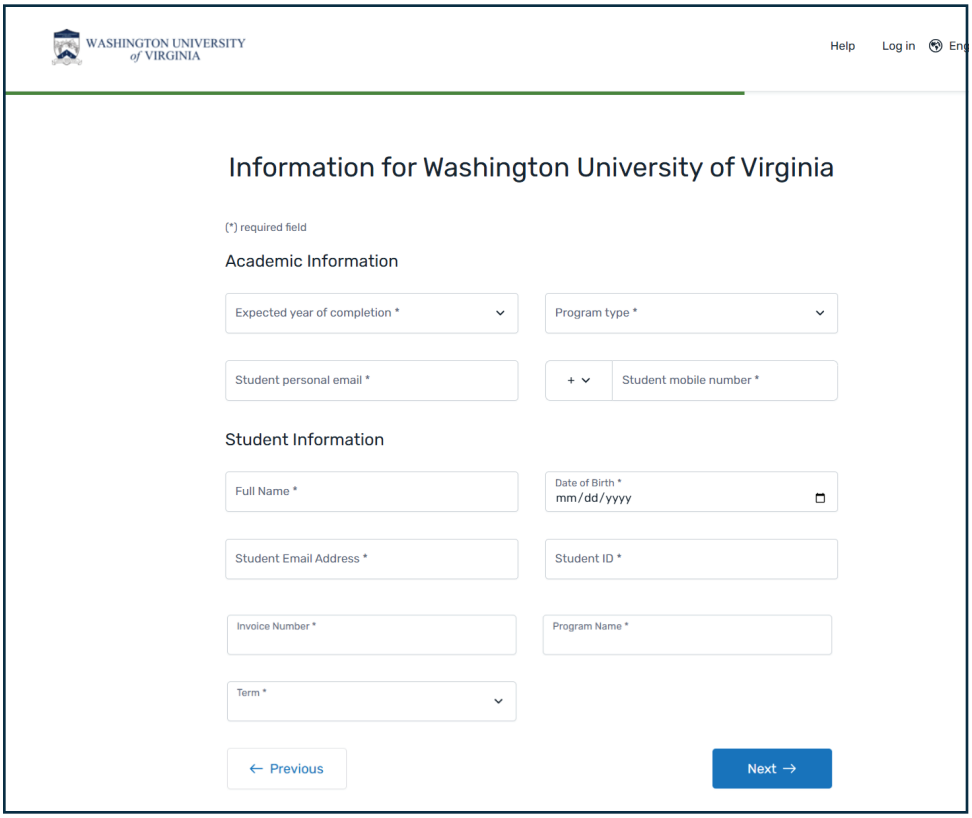
04 Step 4: Fill in Your Information for payment

Enter your **payer's information**
Please enter the details of the person whose card/bank account will be used to pay.
Once you enter the whole information, please check boxes and go to "Next →"



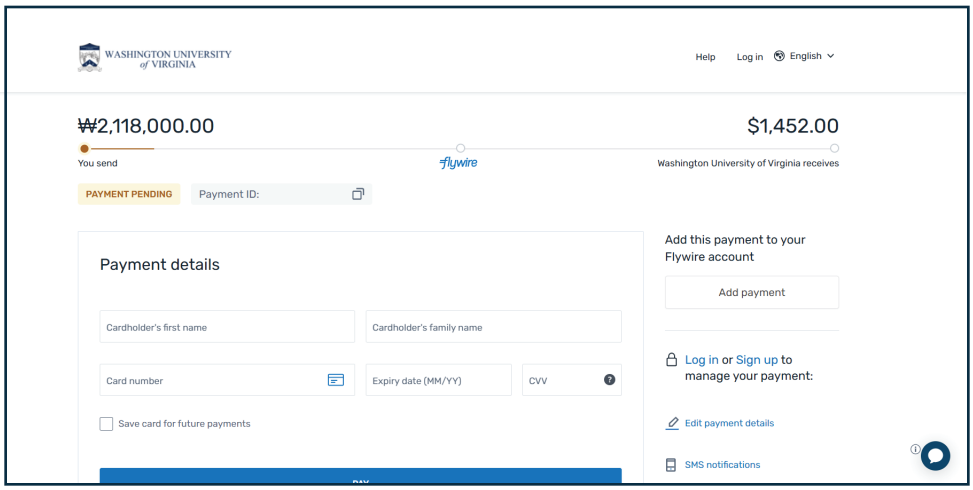
05 Step 5: Fill in Your Information for WUV

Enter your **academic information and student information**
You can find the **invoice number** in the top right corner of your invoice.
Once you enter the whole information, please check and go to "Next →"



06 Step 6: Follow the Payment Instructions

Flywire will show you the next steps based on your selected payment method.
Make the payment through your bank or card provider as instructed.



07 **Step 7:** Finish the payment

Once you enter all the payment information and pay it, the payment will be processed.
After completing the payment, if you chose bank transfer, you will receive an email with further instructions.
Please follow the guidance in that email to complete the process.

Please note that after completing your payment through Flywire, it usually takes around **2~4 business days** *for the school to receive the payment.*
